## Paris Photo 2012 : Galerie Anne Barrault

The Galerie Anne Barrault was founded in 1999 in the Marais in Paris. Its aims was to promote the work of young artists. Since its opening, the gallery has widened its scope to include all forms of contemporary expression, from photography and video to drawing and installation. In this spirit, the Galerie Anne Barrault has hosted a series of concerts and lectures to give artists from different disciplines the opportunity to share their works.
